AFTERTHOUGHTS

As we reach the final year,
Our hearts turn toward the past.
We wonder how in mind and soul,
We've gotten here at last.

For even though in years gone by,
There may have been regrets.
We feel this class of seventy-nine,
Has been the best one yet.

The trials of life are beginning now,
As we start out on our own.
But we'll remember in future days,
The experiences we have known.

And as we leave Washington,
New hopes will appear.
And as we cast glances back,
We'll smile through our tears.

BOARD OF EDUCATION

UHSD 1979 board members left to right: Gordon Wagner, member; Dr. Donold Voss, member; Anne Schulz, President; Dr. Craig Trueblood, mem-
er; and Richard Stapley, Clerk.

SUPERINTENDENT

Dr. Jones, Superintendent

The five board members, elected by the community, are responsible for establishing the policies by which the Glendale Union High School District is run. During the past year, they made some important decisions affecting Washington High's money-raising activities by student groups, such as athletic contests, drama presentations, musical concerts, and other events sponsored by any organization officially recognized by the Board of Education. Dr. Jones and the Washington administration were responsible for operating the school in keeping with those decisions.

Vi - This just can't be the end after all you, Art, and I have been through together! Have a happy retirement!
Love, Berta

Art - Now just because Vi will be home all the time, don't let her do all the work, don't fuss at her. Let her rest, eat a lot, go shopping, and all the fun things. And don't chase her - Love Berta

Vi
It's been super working and working with you this year. You certainly should be married in Counseling Center. Hope to see you in the Alt Mt!
Most Sincerely
